League City Intermediate attendance zone students must provide their own transportation to school in the mornings.

At 3:20 PM when the WAVE school day ends, League City Intermediate attendance zone WAVE students may wait in the Commons until 4:00 PM and ride their neighborhood buses home.

To determine the bus route your child will take from the neighborhood intermediate to your home at 4:00 PM each afternoon, please log on to www.ccisd.net, and click on the "School Bus Locator" icon. Once you are there, type in your address and they will provide the bus route to your door.

Important note: Please be aware that it is the responsibility of the parents to have their children at the appropriate pick-up locations in the mornings. In the afternoon, upon arriving at the drop-off intermediate location, the students will wait in a common area of their neighborhood school until their rides arrive or until their neighborhood bus arrives to take them home at 4:00 PM.
